

DESCRIPTION

Pellegrin® Rustica is an E1 rated, 18mm, moisture resistant melamine faced chipboard (MFC) which is pre-finished to a hardwearing decorative surface ready for use.

Pellegrin® Rustica reflects current trends toward characteristic textured structures, and is particularly impressive with its unique tactile surface. Pellegrin® Rustica offers an economical alternative to natural timber veneers, providing the user with a durable, UV resistant and maintenance free surface.

Pellegrin® Rustica decors are matched with a 1mm high impact Durotrim edge.

APPLICATIONS

Pellegrin® Rustica 18mm MFC is suitable for all domestic or commercial interior joinery and is widely used for applications for partitions, store fixtures, decorative paneling, door and drawer fronts, carcasses, shelving and other applications which require an aesthetic and durable moisture resistant pre-finished board.

PRODUCT CHARACTERISTICS

Nominal Thickness	18.0mm
Density	770 kg/m ³
Moisture content	7.2%
Standard Sheet Size	2400mm x 1200mm
Surface Finishes & Colour Range	Refer to the Rustica section of the current Availability Chart and/or Decorative Surfaces Sample Folder.

TECHNICAL DATA

Test	Result
Bending strength	≥ 15.4 MPa
Inner bond strength	0.54 MPa
Swelling (24hrs)	≤ 7.9%
Screw retention	≥ 700 N
Surface gluing strength	1.21 MPa
Cone Calorimeter - AS/NZS 3837	B3 Group number 40.7 m ² /kg Average specific extinction area

Formaldehyde emissions class	E1
VOC certification	Certificate of conformity (ISEGA) PCP (Qualtaetsgemeinschaft Holzwerkstoffe)
Polycyclic Aromatic Hydrocarbons	PAH (LGA - TUV Rheinland)

CLEANING RECOMMENDATIONS

Pellegrin® Rustica MFC decorative panels are normally robust and do not require any special maintenance.

Light stains or dirt	Use a soft moist cloth or a soft sponge. When using water for cleaning, ensure you wipe off the surface afterwards with an absorbent paper towel.
Normal stains or dirt	Use a soap solution or a household cleaning agent such as (e. g. Nifty or Spray & Wipe). However, use of abrasive cleaners should be avoided. Cleaning agents should be removed completely after a short time, in order to avoid streaking.
Heavy stains or dirt	Use a non abrasive household cleaning agent such as Nifty or similar.
