

Grass - Selling Points

Vario Drawer Organizer System

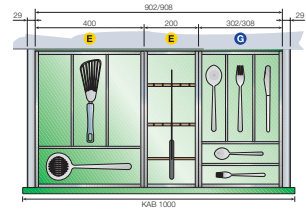

Feature:

Various modules

Benefit:

Different modules for different applications depending on the items to be stored.

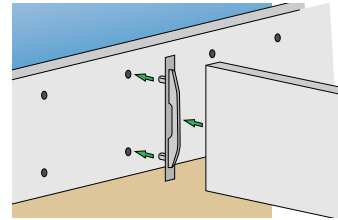

Feature:

Flexibility

Benefit:

An intelligent hole pattern enables the end user to change the organizers around as required without the need for tools.

Feature:

Available in various materials and heights

Benefit:

The choice of elegant aluminium and wood enhances the intrinsic value of the kitchen. Grass offers the Vario System in height 65mm and is the only manufacturer to offer height 120mm.
